SALES & MARKETING ● ● ●

Redrock Sales and Marketing Ltd is one of the industries leading Sales recruitment specialists. Since our establishment, we have succeeded by providing clients, with a highly efficient service that offers value for money and candidate's honest help and direction when they need it most.

We provide these specialist sales and marketing recruitment services, to the IT & telecommunication, technical and commercial verticals. Our clients vary from investment backed start up businesses through to market leading major blue chip organisations.

Ensuring that an individual's skills and experience are expertly matched with the right sales position is of paramount importance to us. By doing this we are able to reduce the time, effort and cost that normally comes with finding key personnel.

Our highly dedicated staff, through years of experience, has gained the skills required to find the best organisations, the right person. This knowledge has helped develop the careers for a wide variety of sales individuals at all levels including, Sales Directors, Sales Managers, Account Managers, Sales Executives, Telesales Executives and we have also helped individuals make that first move into the sales arena. Let us do the same for you.

I have had the pleasure of working with Mark and found his work and the services provided by his team to be first rate. I would not hesitate in recommending.

MD, Content Management Software Company
